

SUMMARY OF PLANNING BOARD MOTIONS FROM APRIL 28, 2009 PUBLIC HEARING

Planning Board recommended revisions will be incorporated into a revised draft of the proposed City Zoning Ordinance – Title 20 and will be available for City Council consideration at a later date.

For a full description of the Planning Board hearing please go to the OPG website at: <ftp://www.co.missoula.mt.us/opgftp/Minutes/MCPB/2009/> and click on the specific date, or go to www.zoningmissoula.com.

Note: The amendments made by Planning Board are shown with a yellow (or grey) highlight and are based on staff notes from the meeting. Motions made for concepts (without specific language suggested) are also described. Additional direction or clarifications requested by the Board (without a motion) are shown in *italics*. Review of minutes from the meetings may yield additional clarifications and corrections. Planning Board reserves the right to revisit previously reviewed chapters to make additional revisions as needed and as additional review of the document occurs.

PLANNING BOARD MADE THE FOLLOWING MOTIONS:

Chapter 20.75 Signs

1. **20.75.070.F:** Specifically prohibit dynamic display signs in the R and OP districts.
2. **20.75.070.F:** Specifically prohibit dynamic display signs in the CBD and Historic Districts.
3. **20.75.070.F:** Permit dynamic display signs along principal arterials and zoning districts C1, C2, M1, and M2. [*Note: Other Principal Arterials are identified in the Functional Classification-City Limits map and can be viewed at the following weblink: ftp://www.co.missoula.mt.us/opgftp/Transportation/Maps/FUNCTIONAL_CLASS_CITY_100.pdf. Generally, principal arterials include Brooks, Reserve, Russell, Stephens, Broadway, 5th, and 6th, and a portion of Madison.*]

The revisions to 20.75.070.F would read as follows:

“1. Where Allowed

Dynamic displays are permitted for public and civic uses in R and OP districts and for all allowed uses in other zoning districts **C1, C2, M1, and M2 along principal arterials.**

2. Where not allowed:

Dynamic display signs are not permitted in R, OP, CBD, or historic districts.”

Note: numbers will be adjusted accordingly.

4. **20.75.070.F.5 and .7:** Use the third category of hold time and message duration for the only category of dynamic display sign (now). This results in a minimum hold time of “none,” and a message duration of “no more than 8 seconds.”
5. **20.75.010.C:** Reinstate language proposed to be struck in the draft. The statement would read as follows:

“C. to support the desired character of Missoula, as expressed in adopted city plans and policies and to promote an attractive visual environment;”

6. Discuss concept of limiting hours of operation for lighting of signs at next meeting.
7. Motion to continue the hearing to April 29th.
